Why is the PSA important?

To make our school a better place for our children and to give our children better resources. The government only allocates a certain amount of funding to the school so the PSA steps in to help with extra funding to provide exciting and engaging learning opportunities.

Most importantly organising social events for families and children (discos, Fairs, Bingo, Tuck shop)

HELP KEEP THE PSA RUNNING SO FUTURE PUPILS CAN BENEFIT TOO!

To spread the responsibility and lessen the workload, it is possible to choose to share any of the roles and/or there can be a Vice-Chair to work closely with the Chair

If you think you could help support the PSA please email the PSA, chat to your class rep or a member of the current committee.

REASONS TO JOIN THE

PSA

Its fun and something to be proud of!

Be part of the team which organises the best events and get-togethers. De-brief over a glass of wine (or two!)

Be better connected

Create closer links with the school head, teachers and staff. If your new to Hursthead Infant School the PSA is an excellent way to find out how things work and become part of the community.

Totally flexible

Anyone can get involved. Its less commitment than you think, and you dont always have to attend meetings. Any amount of time is truly valuable and appreciated.

Support the School

The PSA is vital to the success of the school. Funds raised enrich your childs learning and make every students experience better.

Make new friendships

Meet and chat to a wider circle of families from different classes and year groups. Get to know other parents and bond over exciting events, socials and get-togethers.

Create lasting memories

Our children are only at school a few years but they will remember the difference we make for a lifetime. They will cherish the activities and games we fund, learn using resources we buy and remember the events we hold.

Change school for the better

Have your say on important decisions. Work with the school and other parents to see where improvements can be made, and implement them. Directly influence the experience of your child and many others.
