Reading Passport

Dear Year One and Year Two parents

We are very excited to launch our reading initiative for this year, the "Reading Passport". Your child will bring it home in their bookbag tomorrow.

The aim is to foster a love of books and reading amongst our children. The passport sets the children a variety of different reading tasks encouraging them to read in different places, at different times and in different ways. We hope it will help them find different kinds of books they love and reading experiences that they will want to share with their class families.

The children can return their reading passport to their class teacher on or before the 9th December 2024 to receive a reading reward. Every child completing 4 or more of the tasks will receive a bronze award badge and all those who have completed every task, achieving a full house, will receive a certificate.

Please help your child to fill in the back of their passport before they return it to their class teacher. We are really looking forward to hearing all about their favourite tasks and the new books they have discovered.

We hope the reading passport will prove to be a fun way for your child to develop a love of reading.

Kind regards

Mrs Prescott

English Subject Leader
