

Hursthead Infant School

Dear Parents/Carers

We are celebrating the festival of Diwali. Diwali is the Festival of Lights, and this year falls on Thursday 31st October – Friday 1st November. To celebrate each class will enjoy a range of Diwali themed stories and create a Diwali themed craft/artwork that they will be able to bring home.

The School Council are looking forward to sharing the different craft idea they selected for their year group and we hope that you enjoy the wonderful craft that your child/ren will bring home. We will also share with you some pictures of the children celebrating Diwali within school.

Many thanks

School Council and Miss Howard
