

HURSTHEAD INFANT SCHOOL

School Uniform Policy

Reviewed:	Autumn 2024
Date of next review:	Autumn 2025

Hursthead Infant School aims to be fully inclusive, which is reflected in its values and ethos. Our school uniform is important to us. It helps to create a sense of belonging to our strong, cohesive school family. As children put on their uniform they are preparing for school and learning and we want to develop pride in being part of our school.

1. Aims

This policy aims to:

Set out our approach to requiring a uniform that is of reasonable cost and offers value for money for parents and carers

Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010 and the Human Rights Act 1998

Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, disability and gender reassignment.

To avoid discrimination, our school will:

- Make sure that our uniform costs the same for all pupils as they move through the school
- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Allow all pupils to have long hair (NB: we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to wear headscarves and other religious or cultural symbols (whilst meeting health and safety requirements)
- Allow for adaptations to our policy on the grounds of equality by asking pupils and their parents to get in touch with the Headteacher who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

<https://www.gov.uk/government/publications/cost-of-school-uniforms/cost-of-school-uniforms>

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Considering cheaper alternatives to school-branded items, such as logos that can be sewn on, as long as this doesn't compromise quality and durability
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements for extra-curricular activities
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
