We are delighted with this feedback and thank you for the support you have given and shown to Hursthead Infant School.

We do, however, as always, seek to improve and strive for excellence. We have, therefore, prioritised the following area in response to your feedback:

Parents Evening in the Autumn Term 2020

Some parents commented on the fact they would have liked more information about their child's progress, particularly in Reception during the Autumn term 2020. This was actually an exceptionality as school was not able to provide in person parent evenings due to bubbles. The school did send home a pen portrait of how their child had settled into school after 3 weeks and the children's learning books were sent home in November over a weekend to be shared. Next Steps were sent out as usual and the home/school Seesaw app provided regular communication between home and school.

Thank you to the parents who took the time to let us know how much they appreciated the dedication and commitment of the whole school staff especially through such a challenging academic year. There were many very lovely comments, which again I have shared with the staff. Please be assured that your feedback and views are greatly valued and don't hesitate to contact myself or your child's class teacher over any matter.

Yours sincerely
